Lim Ji Soo

- A Distinctive Voice and Powerful Singer-Songwriter

Lim Ji Soo is a singer-songwriter with a captivating vocal color and powerful range, seamlessly moving between deep lows and soaring highs. She has proven both her artistry and appeal through outstanding achievements in major music audition programs, including winning Vocal Play 2: Campus Music Olympiad (Channel A, 2019), reaching the Top 10 on JTBC's Sing Again 3 (2023), and appearing on MBC's King of Mask Singer (2025).

Since her official debut in 2021 with the single 'Monologue', Lim Ji Soo has continued to build her own unique musical world with releases such as 'UP&DOWN', 'Love Cycle', and 'A Little More'. In August 2025, she released her first mini-album 'loveletters', a heartfelt collection of songs capturing every moment of love. Showcasing a more mature sound, the album has received wide acclaim, and includes double title tracks 'ONE THING' and 'Close to You', along with their Chinese-language versions.

With her soulful sensibility, rare vocal tone, and fluency in both English and Chinese—developed through her years studying abroad—Lim Ji Soo is fully prepared to grow as a global artist, targeting audiences.
