OVERVIEW

NAME: W24(World 24hours)

DEBUT: 2018.03

MEMBER: CHEONG HO WON(Vocal/ Leader), KIM JONG GIL(Drum),
KIM YUN SOO(Guitar), PARK AARON(Keyboard)

W24 (World 24hours) is a four-member band that debuted in 2018 with 'Always missing you'. The band consists of Cheong Ho-won (leader, vocals), Kim Jong-gil (drums), Kim Yun-soo (guitar), and Park Aaron (keyboard). Known for their musical talent, they participate in writing, composing, arranging, and producing all their songs. Since their debut, W24 has gained significant popularity not only in South Korea but also in Latin America, Europe, the United States, and beyond. Notably, vocalist Jeong Ho-won was born in Chile and lived in South America for 19 years, making him fluent in both Spanish and English.

In 2020, W24 won the 'Asian Top Band,' a joint production by seven Asian countries and eight broadcasting companies, earning recognition as a leading band in Asia. In 2023, they reached the Top 8 on Mnet's band survival show 'Great Seoul Invasion' and continued their success with a nationwide tour.

W24 became the first K-pop artist invited to Chile's national charity event 'Teleton' in 2018. That same year, they held a fan meeting in Chile, followed by the 'STAY A MOMENT' Latin America tour in 2019. In 2022, they successfully completed two UK tours, a Japanese showcase, and a solo concert in Chile. In 2023, their 'Born Again Tour' took them to the UK and Central and South America, with additional showcases in Japan, Kazakhstan, and Russia. In 2024, they performed at the 'K-INDIE Festival' in Germany and continued active promotions in Russia and CIS countries.

Meanwhile, W24 has launched a long-term project titled 'Next Chapter: Best Chapter' with the goal of holding a 1,000-seat concert in December 2026, and plans to hold solo concerts every month and release a new song every two months. They successfully completed performances for Sections 1 through 4 at Salon Moonbow in January, WUMUJI in February, VELOSO in March, and Rolling Hall in April, and are continuing their active promotions by releasing the new song 'mustard seed' on February 27.
