ABOUT W24

W24 (World 24hours) is a South Korean pop-rock band consisting of four members who write, compose, and produce their own music.

Formed in 2018, W24 made their debut with their first digital single, “LOVE ME.”

Cheong Howon, the leader and vocalist, was born in Chile and spent 19 years in South America, making him fluent in Spanish and English.

Known for their emotional melodies, honest lyrics, and energetic live performances, W24 continues to grow as one of the most promising bands on the global stage.

In 2026, W24 launched their year-long project “NEXT CHAPTER : BEST CHAPTER,” connecting new music, monthly concerts, and fans toward their goal of a 1,000-seat solo concert in December.
